#### “Backstage Madness: A Midsummer Rehearsal”

It was a(n) (1)\_\_\_\_\_ afternoon in the auditorium, and the cast of *A Midsummer Night's Dream* was preparing for rehearsal. The stage was cluttered with (2)\_\_\_\_\_, costumes, and someone's half-eaten (10)\_\_\_\_\_.

The director was busy (3)\_\_\_\_\_ through the latest script changes, while (4)\_\_\_\_\_ ran across the stage chasing a missing (5)\_\_\_\_\_. No one could remember their lines, and someone had (6)\_\_\_\_\_ a prop tree.

Despite the chaos, the stage manager called for everyone to take places. “This scene has to be perfect! We need clear **stage directions**, strong **dialogue**, and a focused **cast**,” they said with a(n) (7)\_\_\_\_\_ frown.

The lights dimmed, and the (8)\_\_\_\_\_ tension was felt by all.

Suddenly, a spotlight turned on and accidentally blinded (9)\_\_\_\_\_, who was only there to deliver pizza. With a loud (11)\_\_\_\_\_ , the curtain fell early.

“(12)\_\_\_\_\_!” shouted someone from the wings.

Just another day in middle school theater!
